Late Pick Up Policy

We recognize that on occasion unforeseeable circumstances prevent parents from arriving on time for pick-up. However, if a child is picked up late more than three times Christ Clarion will **charge \$25 for each additional 10 minutes** that a child is supervised past their scheduled dismissal time.

Initial _____ I acknowledge that I am responsible for paying a late fee to Christ Clarion based on the above stipulations. I agree to make a payment before my child's next scheduled school day.

Toilet Training Policy

When children are registered for preschool as early as January, it is difficult to predict where a child will be in the toilet training process by September. While we are aware that each child has their own timetable, our facility is not equipped or staffed to change diapers. The NYS Registration requires children enrolled in our three, four and five year old programs to be toilet trained by the first day of school. We are happy to support your efforts and will assist the children as needed with accidents.

If your child is not reliably toilet trained by October 8th, we kindly request that you keep your child at home to focus on this training, as consistency is essential in developing this skill. We will be happy to support your efforts when your child returns to school.

Initial _____ I understand Christ Clarion's toileting policy as it pertains to *NYS Education Department's Office of Early Learning Regulations*.
