415 Thornell Road
Pittsford, NY 14534
Phone: (585) 381-5091

AGE REQUIREMENT: Age 4 by December 1, 2022

Please indicate your child's first choice (1) and second choice (2):

Literature for Little Learners

Tuesday afternoons from 12:30 to 3:00 PM (\$830.00) **FIRST choice** **SECOND Choice**

Sciences/STEAM Enrichment

Thursday afternoons from 12:30 to 3:00 PM (\$830.00) **FIRST choice** **SECOND Choice**

Do you wish to have your child participate in **both** a Tuesday and Thursday Enrichment Class? **YES** **NO**

Do you wish to be wait-listed for this class if filled prior to your registration? **YES** **NO**

Tuition is \$830.00 per session. Each session runs one afternoon per week from October through May. A \$75.00 registration fee is due for all students not currently enrolled in a *Christ Clarion Preschool* class.

Child's Information (Please print, or fill out online form, then print it to sign it.)

Child's Name			Date of Birth	
Address				
Home Phone		Email		
Mother's Name			Mobile Phone	
Father's Name			Mobile Phone	

Registration will be done by a lottery system. We hope to place each interested child in at least one session. Families requesting both sessions will receive a space in each class based on availability. Once the registration process is complete, you will receive a note indicating one of two possibilities:

1. Your child has been placed in a specific program.
2. Your child has been placed on a wait list.

If you have any questions regarding this program, please contact Lisa Wrona at 381-5091 or send an email to christclarionps@gmail.com.

I acknowledge that if I withdraw my child for any reason, I am still responsible for paying tuition until a replacement student is found.

Four and Five Year Old Enrichment Classes

Christ Clarion is excited to offer two programs to enrich your child's school experience. These classes are an extension of our M/W/F, M-F and Transitional Kindergarten sessions. Each class meets one afternoon per week from 12:30 to 3:00 PM. All participating children must be four years old by December 1. Classes run from **mid-October** through **mid-May**.

Literature for Little Learners (Tuesdays)

This literacy program will promote language development in an interesting and exciting setting. Children will be exposed to numerous forms of print and the spoken word. Well chosen books will be used as stepping stones to expand on your child's ability to follow a story line, follow a sequence of events, practice listening skills, respond to the beauty and techniques of the illustrations, have conversations and understand the connection between the spoken word and written text. Creative and varied activities will be presented to your child each class to immerse them in all the treasures that literature has to offer. The class will provide the opportunity to spend more time with favorite authors, illustrators, and characters.

Science/STEAM (Thursdays)

Good education begins with a child's natural curiosity. This enrichment class will take that curiosity and unleash the magic and mystery of science, technology, engineering, art and math. Teachers will utilize creative thinking activities, hands-on experiments, shared and cooperative experiences, field trips, guest speakers and literature to expose your child to the elements of the scientific method (observation, hypothesis, prediction, experimentation and evaluation). These varied activities will allow your child to discover the world of science and math in a fun and age appropriate manner.

Children are required to be toilet trained by the first day of school.
